Ray,
We are extremely pleased to receive this! I will share with our team and management group and be in touch with you very soon. Upon cursory review, this looks like it has all the elements we need to move forward to put together a great plan for this community – thanks so much!

Subject: Cooperative Sustainability Initiative

Good Afternoon Nancy,

I am happy to report that the ongoing efforts of Kisatchie Treating, Stella-Jones and Colfax Treating have been productive. We have a Cooperative Sustainability Initiative (“CSI”) agreeable to all. The final draft is attached for your review and approval. Because I did not know who will sign for LDEQ, I left that blank to be filled

in.

Please let me know when you would like all the parties to sign so we may make appropriate arrangements to execute the CSI as early as possible.

Congratulations Nancy!

Ray
